Spice Book

01 Introduction

Since 1993, we've refined every step from sourcing directly from Rajasthan and Gujarat's best farms to precision processing that locks in natural aroma and potency. Our experience translates to zero surprises for your supply chain.

*Shyam Agro
Industries*

Shyam Agro Industries, proudly serving **since 1993**, brings over three decades of expertise in sourcing and supplying premium Cumin Seeds and Sesame Seeds. Backed by a legacy of trust and consistent quality, we remain a preferred choice for buyers and traders across domestic and international markets.

Shree Shyam Exports, established in 2021, is the sister concern of Shyam Agro Industries carrying forward a proud legacy built over three decades. Equipped with in-house Sortex technology and state-of-the-art infrastructure with the latest machinery, we ensure every product meets the highest standards of purity and quality.

Shree Shyam Exports

02 Certifications

Shyam Agro Industries and Shree Shyam Exports hold certifications from FSSAI, APEDA, Spice Board, Rajasthan Pollution Control Board, DGFT and MSME Udyog reflecting an unwavering commitment to quality, safety, and regulatory compliance across every stage of operation. These accreditations serve as a testament to our dedication to meeting the highest industry benchmarks, both domestically and in international markets. With a foundation built on trust and transparency, we continue to uphold standards that inspire confidence among partners, buyers, and consumers alike.

03 Farm to Kitchen Process

1. Direct Farmer Procurement

Sourced directly from trusted farmers across prime agricultural regions, ensuring fresh, ethical, and fully traceable raw produce.

2. Processing & Cleaning

Raw spices and seeds are processed using state-of-the-art machinery, followed by skilled hand sorting to eliminate all impurities.

3. Sortex & Grading

Advanced Sortex technology grades every batch to perfection ensuring only the finest quality seeds move forward.

4. Packaging

Each batch is hygienically packed, preserving freshness, aroma, and nutritional value for safe and secure worldwide delivery.

5. Dispatch & Delivered

Secure and timely transportation ensures every order reaches fresh, intact, and on schedule straight to your kitchen.
